Specialists in

Welcome to PC Motors, Bristol's leading independent Audi, Seat, Skoda and VW specialist with over 30 years' experience in the Volkswagen Audi Group (VAG) field.

PC Motors is an established and respected garage in the Horfield area of Bristol. Our focus is on providing an exceptional garage service, yet competitively priced. With friendly and helpful staff, we have been servicing customers in the Bristol area for many years, earning a trusted and reliable reputation. We specialise in VAG vehicles from family runabouts to high performance, prestige marques. Whether you are looking for spare parts for your VW GTI, need to have your old Volkswagen Beetle renovated, or want your Audi TT race-tuned, come to us first.

Our services include:

-

Approved suppliers of parts and modified spares

-

Air Conditioning

-

Bodywork

-

Car servicing and yearly maintenance

-

Diagnostics

-

Mechanical repairs (including cam belts, clutch, exhaust, brakes and tyres)

-

Arranging MOTs and pre MOT checks

-

Performance enhancement

-

Renovation

-

Sales and insurance appraisals

Please note that a courtesy car service is available to customers, while their own vehicle is with us.
